Reference: YEAR-END Monthly Report (12/01/2011-12/31/2011)

Dear Ms. Della Rocco:

The totals reported on the Year-End Monthly report are correct. The discrepancy arose from the inadvertent failure of the committee to report a returned contribution. The affected report has been amended.

The supporting individual and PAC contributions for the Congressional Trust JFC have all been reported and are in excess of the amount of the committee transfers. The Year-End report has been amended to specifically identify the JFC by name.

Regarding reimbursements to individuals for expenses other than travel and subsistence, no further itemization is required.

Regarding voided or returned checks reported on Schedule B supporting Line 21(b) we have amended the purpose of these entries to more clearly describe the disposition of these payments.

Regarding reimbursements to staff for apparent travel and subsistence in amounts that exceed \$500, no further itemization is required.

We have amended Schedule C of our report with additional information.

I trust this response will meet your requirements; however, please feel free to contact me if you have any remaining questions.

Sincerely,
Anthony W Parker
